## City Papers Will Carry 'New' Seal

Official papers of the City of Torrance will bear a "new" seal following action of the City Council.

Councilmen approved the use of what is described as the "original seal of the city." The seal will be made from a drawing by Sam Hughes, a member of the Fire Department.

The main difference between the two seals—the lady figure in the original seal is sitting, while she is standing in the seal now in use.

City Clerk Vernon Coll said the original design will appear on city papers as soon as a new seal is cast.

## Harbor Entry Deadline Near

A warning to prospective students that the registration period is fast approaching a deadline at Harbor College was issued today by Richard Noble, coordinator of admissions.

Last day to make application for admission is tomorrow.

The registration period for spring semester classes will extend to Jan. 31, but application must be made by the Jan. 24 date.

Students who are using the facilities in the new Administration Building are registering in "a series of small registration days instead of one big hectic day," according to Noble.

All new students must fill out an application for registration, and a permit to register, complete the required entrance examinations, and provide a residence statement, a record of polio immunization and their high school or college transcripts. Transfer and returning students do not have to take the entrance tests if they have completed at least 12 units of work in an accredited college and have an overall "C" average.

Further information may be obtained by phoning 835-0161 or calling at the college.

## Cub Pack 730-C

Pre-opening ceremonies were conducted by Den 4 at the December meeting of Cub Scout Pack 730-C. Mrs. Toshiye Hata was introduced during the meeting as the den's new mother.

Den 5, under the direction of Mrs. Rose Prentiss, den mother, led the flag ceremony.

The business meeting was conducted by Tom Armstrong, cubmaster, followed by induction into the Webelos den of Bobby Snyder, presentation of a plaque to Mrs. Velma Klien, former den mother; and an awards ceremony conducted by Mrs. Marvin Klien.

Receiving awards were: John Ferrieolo, lion rank; Larry Mower, bear rank; Steven Klienbower and Scott Bayles, one-year perfect attendance pins, and Greg Lutz, two-year perfect attendance pin.
